RECOMMENDATION LETTER

It is honor and my pleasure to provide this recommendation to **Mr. FIKADU MENGISTU LEMICHA (ID. No A/UR14677/10)**, who is keen to join your organization. He is one of student that has been studying his bachelor of science in our school. He is one of the extraordinary students in our school who has done ***Dual Major Degree***. I would rank him among top five percent students with skills of communication, analyzing problem, designing solutions for engineering problems in his area of study, **Electronics and Communication Engineering** and second major **Computer Science and Engineering**.

I have known him for the last five years as a student. He is an organized person who is able to carry out any task allocated to him and he is dedicated to his work. I have closely seen him for about five years that he is highly motivated to exceed his current knowledge. I appreciate his excellence of work hard, integrity, loyalty, punctuality and his motive to achieve something better. In addition to his regular duty, he has been actively participating in different intra curricula and extra curricula activities in the School. He has been sociable, cooperative and problem solver student.

I highly recommend him for your organization and hope that you will carefully consider his application. Please feel free to contact me if you need any further information.

Yours Sincerely,
